

REMARKS

The instant amendments to the specification are being submitted in response to a telephonic communication by the Examiner that indicated that sequence identification numbers were absent for a number of short polynucleotide sequences listed on pages 55-59, 62, 65, 67-68, 71-72, and 74-75. The instant amendments to the specification remedy this problem.

Applicants respectfully request that the instant amendments be entered into the specification.

The Commissioner is authorized to charge any necessary fees or credit any overpayment to the Deposit Account of McAndrews, Held & Malloy, Account No. 13-0017.

Respectfully submitted,

Dated: April 25, 2008
